

Rigid Heddle Loom Weaving Workshop II

Reba Siero

Rigid Heddle Loom - with up and down shed positions

8-dent heddle

2 pick-up sticks

Stick shuttle (minimum of 1)

1 dowel (at least ¼" in diameter and about 12" long) – for supplementary heddle rod

Warping peg (if you need to warp)

Worsted weight cotton in a light color – this makes it easy to see what you are doing!

Scissors

If you are able, please warp your loom before coming to class.

Warp 6" wide (48 ends) and about 2 yards long.

For example: Warp a Cricket loom on a 6 foot long table.

Loom rental is \$15 for the 2 class days and the week in between

Yarn fee is \$15

If you need to rent a loom, purchase yarn, or have any questions, please contact:
