

Vertical Foldout Book with Dimensional Cover Jeka Lambert

Instructor will supply brown craft paper for fold-out book page

- For the book covers: non-corrugated cardboard from cereal type boxes, or the backs from 8.5x11/8.5x14 writing tablets, or similar cardboard - approximately 2-3 boxes, 4-6 writing tablet backs or equivalent
- Metal ruler at least 12" long
- X-Acto knife with sharp blade and cutting mat, replacement blades recommended
- Good quality SHARP scissors, 6" or larger
- Bone folder or credit card
- White or colored tissue paper, 5 sheets minimum, can be recycled tissue paper, can be combination of colors
- Optional: Flat found objects for book cover, no more than 1/4" thick. Items without fine detail work best
- Elmer's type glue
- Junk artist paintbrush to apply glue, approximately 1/2" wide with bristles
- Small plastic lid or small shallow plastic tray/container to hold glue and paint - I like to use lids from carryout sushi boxes
- Water container
- Art media for book cover: acrylic paint - consider both colors & metallics, Optional: colored pencils, pens, markers, inks, mica paints, etc. to enhance book cover
- Optional: cosmetic sponges to apply acrylic paint
- Art media for artwork inside book: Choose media of your choice: paints, drawing materials - pencils, pens, markers, pastels, crayons, etc. If you like it and it's not on the list, bring it. Note: collage items are NOT suitable for this project.
- Waxed paper to protect book surfaces while working
