

## ***Introduction to Filipino Banduria - Rhu Bigay***

# Materials

---

This is a Filipino music course. It is preferred that you acquire your own banduria instrument. However, one may be provided for a fee of \$100, which consists of an \$80 insurance deposit and a \$20 rental fee. The insurance deposit may be returned at session's end if the instrument is returned without blemish. If you damage the rental instrument in any shape or form that renders it useless, unplayable, unsightly blemished (scratched), physically and aesthetically, in effect, you must pay for the replacement and/or any repairs.
