

Materials List & Directions

- Latex gloves, bring several pairs as you will go through them
 - Plastic apron and/or protective clothing
 - Notebook, paper and pen for note taking and instructor notes
 - Permanent marking pen (for labeling your fabrics)
 - Scissors
 - Ruler
 - Blue painters tape (for thermofax screens)
 - Color mixing palette or white tray for mixing colors (you can also use paper plates)
 - 6 - 8 oz. paper cups for holding your personal print mixes
 - Paper towels
 - Black and white, high contrast images for screen making with thermofax machine
 - If you are sensitive to vapors, or dust particles bring a face mask and/or NIOSH approved respirator with Multi Gas/Vapor Cartridges
 - Lightweight plastic sheeting or dry cleaner bags for covering and transporting wet work
- Painting/printing tools: Whatever you want to use including stamps, wooden blocks, lino blocks, paint brushes in various sizes, foam brushes, paint rollers, anything that will print or paint a texture - be creative!

- Images For screen printing with thermofax machine: Bring images no larger than 7" x 9" or smaller than 2" x 3", black and white. Please note: carbon based artwork must always be used in this process - that is a good photocopy, a laser printout, artwork created with a carbon pen or any other design with carbon in the copy.
- Thermofax supplies: We have a limited number of frames available for your use, and they must be returned to the instructor at the end of the workshop. You can purchase your own frames, screen mesh and double stick tape ahead of time at: <http://www.diyprintsupply.com/thermalscreenroll.aspx>

Directions to Material Grace Studio, 4504 Green Valley Road, Fairfield CA
