

## **Jewelry: Beginning/Intermediate Projects – Wendy McDermott**

### Materials List

Supplies for the first class will be provided by instructor. Please have materials by second class. Any questions can be asked during the first class.

(Sources are listed below)

#### SHEET METAL:

6X6” 20 Gauge

- Copper
- Brass OR Nu-Gold/Jeweler’s Bronze
- Purchase from: Otto Frei or Rio Grande

#### WIRE:

18, 16, and 20 gauge copper wire – You can find these at most any hardware store. You might also wait until after the first day to get these in order to see if others wish to share with you.

#### SOLDER:

Silver wire solder “kit” from Otto Frei

Part # 804-444

#### SAWBLADES:

– Size: 2/0

You might need a couple dozen to last you throughout the session.

Purchase from: Otto Frei or Rio Grande

#### SAWBLADE AND DRILL BIT LUBRICANT:

Bur Life

Purchase from: Otto Frei or Rio Grande

#### DRILL BITS:

Sizes: 56/60, 65/67, 70/72

Preferably 2 or more of each size since they do tend to break or get dull from time to time.

Purchase from: Otto Frei or Rio Grande

SANDPAPER:

Black, Wet-Dry in 120, 320,600 grits

Please do NOT buy other sandpapers that are made for wood, not metal.

Purchase from: Almost any hardware store or Otto Frei or Rio Grande

BLACK SHARPIES:

(Please be sure to buy the Sharpie brand).

1 Fine point

3 Ultra Fine Point

Purchase from: Just about anywhere.

STEEL RULER:

Purchase from: Just about anywhere.

SCISSORS:

Purchase from: Just about anywhere.

NOTEBOOK:

Purchase from: Just about anywhere.

Other things you might find useful if you have them (but not required):

- tracing paper
- scotch tape
- blue masking tape
- graph paper
- bring some shape templates if you have them

Supply and Equipment Sources:

The most common, easiest and often most inexpensive way to buy jewelry supplies is through mail order. These are reputable companies (I have used them for years and many, many other jewelers use them), and it is simple to order.

Rio Grande

7500 Bluewater Road NW
